

Potential Project Search Candidate

A potential applicant for Project Search would include the following criteria:

- The student has a developmental disability as determined by the Department of Mental Health.
- The student meets eligibility requirements for Vocational Rehabilitation.
- The student desires to be employed and displays commitment to efforts in securing employment and needs additional training.
- The student has completed 4 years of high school and has reasonable absences.
- The student is able to learn appropriate independent social and behavioral skills in most situations.
- The student is able to learn how to engage in appropriate conversation, verbally or through assistive devices.
- Through training, the student is independent in daily living and self-care skills to include, toileting, feeding, taking medication, appropriate personal hygiene and grooming.

Information

If you are interested in learning more about enrollment criteria for students, please contact Regina Wade Johnson at 636-916-7168 or rwadejohnson@ofsd.k12.mo.us.
