2012 SPRING LAW CONFERENCE

Friday, March 9, 2012 • Lodge of Four Seasons • Lake Ozarks

The Distinguished Speaker for this year's conference is Julie Weatherly. Julie Weatherly is one of, if not the preeminent speakers on legal issues in special education. For five years, Julie has authored the "legal update" section of the newsletter for the National Council of Administrators of Special Education (CASE). In March of 2000, Julie established RISE, Inc. primarily for the purpose of providing consulting services to public school districts and other educational agencies and assisting them in maintaining compliance with the law and avoiding special education legal disputes. Julie has provided legal representation and consultation in the areas of special education and anti-discrimination law, defending school districts in cases arising under the Individuals with Disabilities Education Act (IDEA), Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act.
